Charlotte Griswold, President  
ELRCD  
Lakeport, CA 95453

Dear President Griswold:

This letter of support for Grant # G14-07-08-R01 is being submitted on behalf of the BlueRibbon Coalition, a national non-profit trail-based recreation group.

BRC has reviewed the proposal and supports efforts by the East Lake Resource Conservation District (ELRCD) and partners from the BLM Ukiah Field Office and University of California, Davis - McLaughlin Reserve to restore the Wintun Camp serpentine wet meadow at Indian Valley Recreation Area.

BRC has toured this area and believes this restoration project is a critically important element of a collaborative effort between various stakeholders including BRC and Tuleyome to increase recreation management prescriptions in this remote backcountry area. BRC believes such projects will benefit current and future legal OHV recreation in, or adjacent to, Indian Valley.

BRC looks forward to working with ELRDC and partners in support of managed OHV recreation and resource protection in the project area.

Best regards,

*Don*
